

Below is the calendar for Summer classes. **Registration for these classes must be done in person in the Computer Lab.** Classes are filled on a first come, first served basis. There are 4 series that can be signed up for. (Registration for Word and Excel takes place the week before their classes start.) Each series can accommodate 12 students. Classes fill up quickly so the sooner you come in to register the better. Please **DO NOT** plan to register for a series unless you are certain you can attend each week. You may NOT switch between series. Payment for the first course, which is non-refundable, is required at registration. Bring \$7.50 or \$12.50 (depending on which track you desire) cash or check payable to "MC-NPL".
