Look for the **Ribbon** in the area underneath the Title Bar.

The **Ribbon** makes all the capabilities of Word available in a single area. Commands related to working with document content are represented as **buttons** on the **tabs** that make up the **Ribbon**. *Hover over some other active buttons to observe ScreenTips.*

The **Home** tab is the active tab by default. *Try clicking on other tabs to view their buttons.* Notice that on each **Tab**, the **Buttons** are organized into **Groups**.

On some groups there is a **Launcher** button which will open a dialogue box with related but less common commands.

Some buttons in the groups have arrows:

Clicking this button's list arrow displays a list of options

Clicking the actual button carries out the command with the current settings
